AMENDMENT AFTER FINAL

The Applicants provide the present Amendment to address the issues raised in the Office Action mailed March 28, 2005, and the Advisory Action of July 15, 2005.

Entry of the amendments herein is requested as the only amendments have been to amend Independent Claims 25, 48, and 50 to include the recitations of Dependent Claims 27, 49, and 50 respectively; to rewrite Claims 28 and 30 in independent form; and to cancel Claims 27, 49, and 51. The form of these amendments has been changed from the similar amendments presented May 26, 2005, to make clear that no new issues have been raised. Entry of the amendments herein and allowance of all pending claims is thus respectfully requested. In the alternative, the Applicants respectfully request entry of the present amendment as narrowing issues for further consideration on appeal. A Notice Of Appeal is being filed concurrently with the present amendment to preserve the Applicants' right to appeal any rejections that may be maintained.

The Applicants are also filing a petition for a one month extension of time together with the fee for a one month extension of time. Only a single month extension of time is required because the Applicants submitted a response to the Final Office Action of March 28, 2005, on May 26 (*i.e.*, within two months of the mailing date of the Final Office Action), and the

Advisory Action was not mailed until July 15, 2005. As set forth in the Advisory Action, the period for reply expires on the later of the mailing date of the Advisory Action or the date set forth in the Final Office Action. Accordingly, the period for reply expired on July 15, 2005, and this Amendment After Final is being filed within one month of July 15, 2005.

It is not believed that an extension of time and/or additional fee(s)-including fees for net addition of claims-are required, beyond those that may otherwise be provided for in documents accompanying this paper. In the event, however, that an extension of time is necessary to allow consideration of this paper, such an extension is hereby petitioned under 37 C.F.R. §1.136(a). Any additional fees believed to be due in connection with this paper may be charged to our Deposit Account 09-0461.

Amendments to the claims begin on Page 2 of this paper.

Remarks begin on Page 9 of this paper.
